

INCLEMENT WEATHER POLICY

- *Sunday Morning Classes*

For announcements of cancellation of Sunday morning CCD classes, please check your email for last-minute updates or call the RE Office extension for a recorded message at 703-765-4421, ext. 18. If school is in session, the phone at the School Office will be manned for calls at 703-768-7732.

- *Wednesday Evening Classes*

The weekday CCD Program at Saint Louis Parish follows Fairfax County's closings policy for inclement weather: if the public schools in Fairfax County are cancelled or dismiss early, CCD classes will not take place. If all after-school activities are cancelled in Fairfax County, CCD classes will not take place. Check your email for last-minute updates.

In any case, if bad weather threatens just as it is time for CCD class, please use your best judgment and stay home if you fear that your family's safety could be jeopardized!
