

Religious Education

at Saint Louis Parish

MISSION STATEMENT

The Religious Education Program at Saint Louis Parish is built on three pillars:

1. Teach the truths of the Catholic Faith, with an emphasis on providing children with content and with the context to understand that content;
2. Strive to inspire in every student a real personal relationship with God, as well as an awareness of His Merciful Love for each human being from the moment of conception to natural death;
3. Build character through faithful witness to the morals and the mission of the Church in the true practice of the Catholic Faith.
