

For Parents

Dear Parents of Saint Louis Youth:

It is my enormous privilege to work with you and your children this year as part of Saint Louis' Youth Ministry program! This year, we will return to Sunday night youth ministry sessions in the basement of the Parish Office. These sessions will run from November 7 to May 22. Please see the calendar on the reverse for specific dates through Christmas.

Each session, we will explore the faith in some way. These sessions are not meant to be or to replace typical classroom faith formation. They are meant to supplement that formation by providing the youth of the parish an opportunity to come together in fellowship and faith. Each month's two sessions will typically include a discussion/faith-sharing component and a social/activity/athletic component.

Along with our regular sessions, it is my hope that with the support of Adult Volunteers that the youth of the parish will be invited to participate in various special events throughout the year. These include Work Camp 2011, March for Life, and other parish-sponsored and youth-specific events.

I look forward to meeting or getting to know better you and your families. I am happy to hear your thoughts for the youth ministry program at Saint Louis. Please see my contact information below. If you'd like your family to be involved, please return the slip below. You can detach it and bring it to the Parish Office, mail it, or send me the information via e-mail.

God bless,

Patrick Krisak
Coordinator of Youth Ministry
Director of Religious Education
